

# TORTURE ME

suck away my breath scar my lungs make life one long numb fit of coughing wreck my health leave me unfit to work take away my living make a beggar of me to every member of my family give your gift of illness on your night of horror my youngest son was 18 months old twenty years later touch him with madness ah make me too mad with pain and worry how my bones ache murder twenty thousand like me and get away with it the politicians are on your side you are a rich american corporation and i am a man of bhopal      GANGARAM

**DOW, DOW, POISON WITHOUT END**
