JOHNS HOPKINS
BLOOMBERG
SCHOOL of PUBLIC HEALTH

incident.

response.

settlement?

two decades

after bhopal

December 3, 1984.

1 AM

Bhopal, India

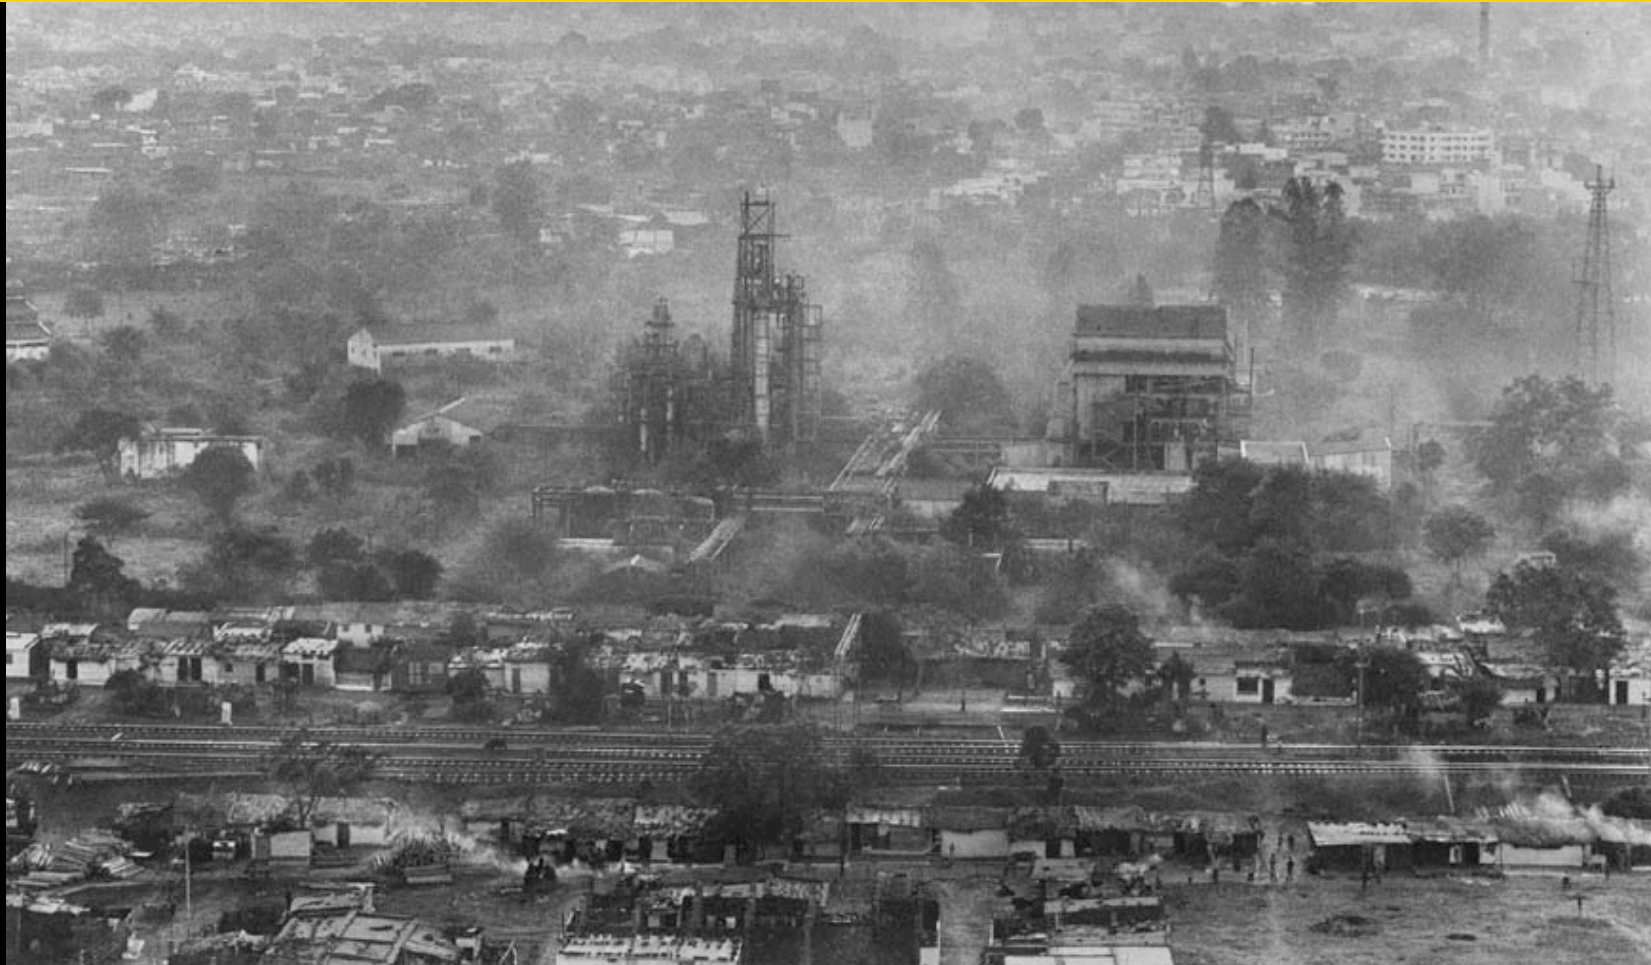

**chemical multinational Union Carbide's
pesticide factory**

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

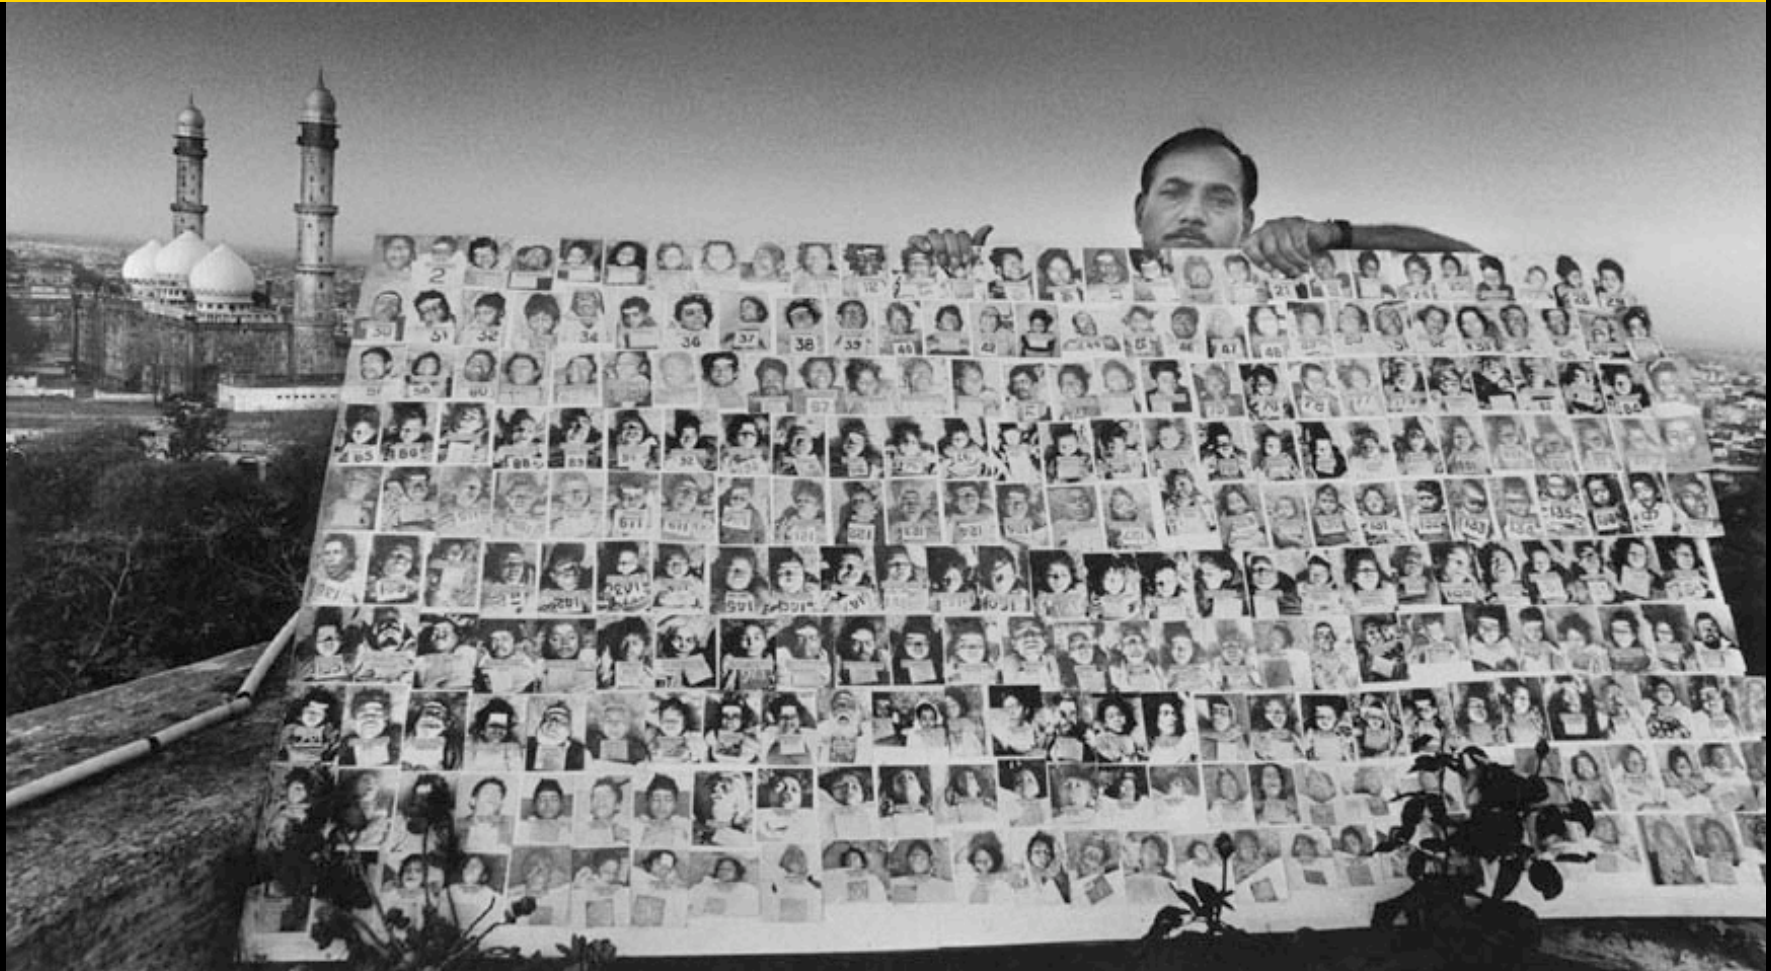

Deadly MIC gas leaked, seeping silently across the city

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

Over 450,000 people were exposed. 3,800 died in their sleep.

and Association for India's Development (JHU)

And that's just the beginning.

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

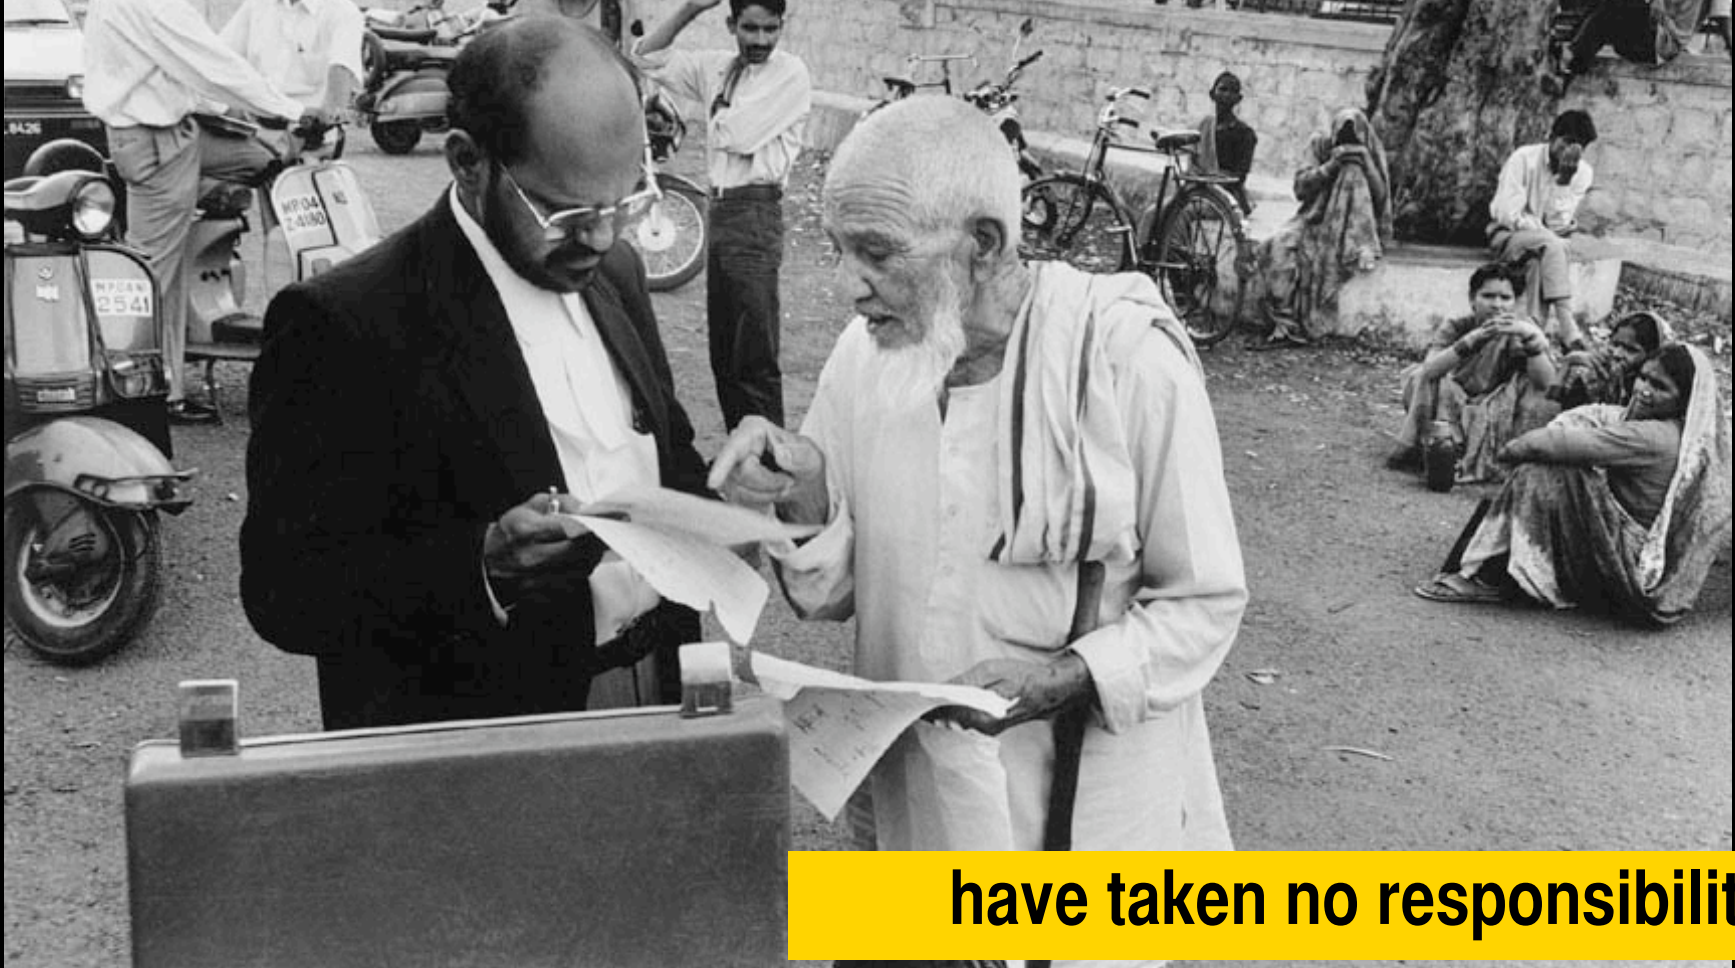

150,000 people are severely disabled. 20,000 have since died.

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

Union Carbide and parent company Dow chemicals

have taken no responsibility.

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

There has been no cleanup of the leak site.

Nor proper remuneration of survivors.

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

The factory is abandoned. And still toxic.

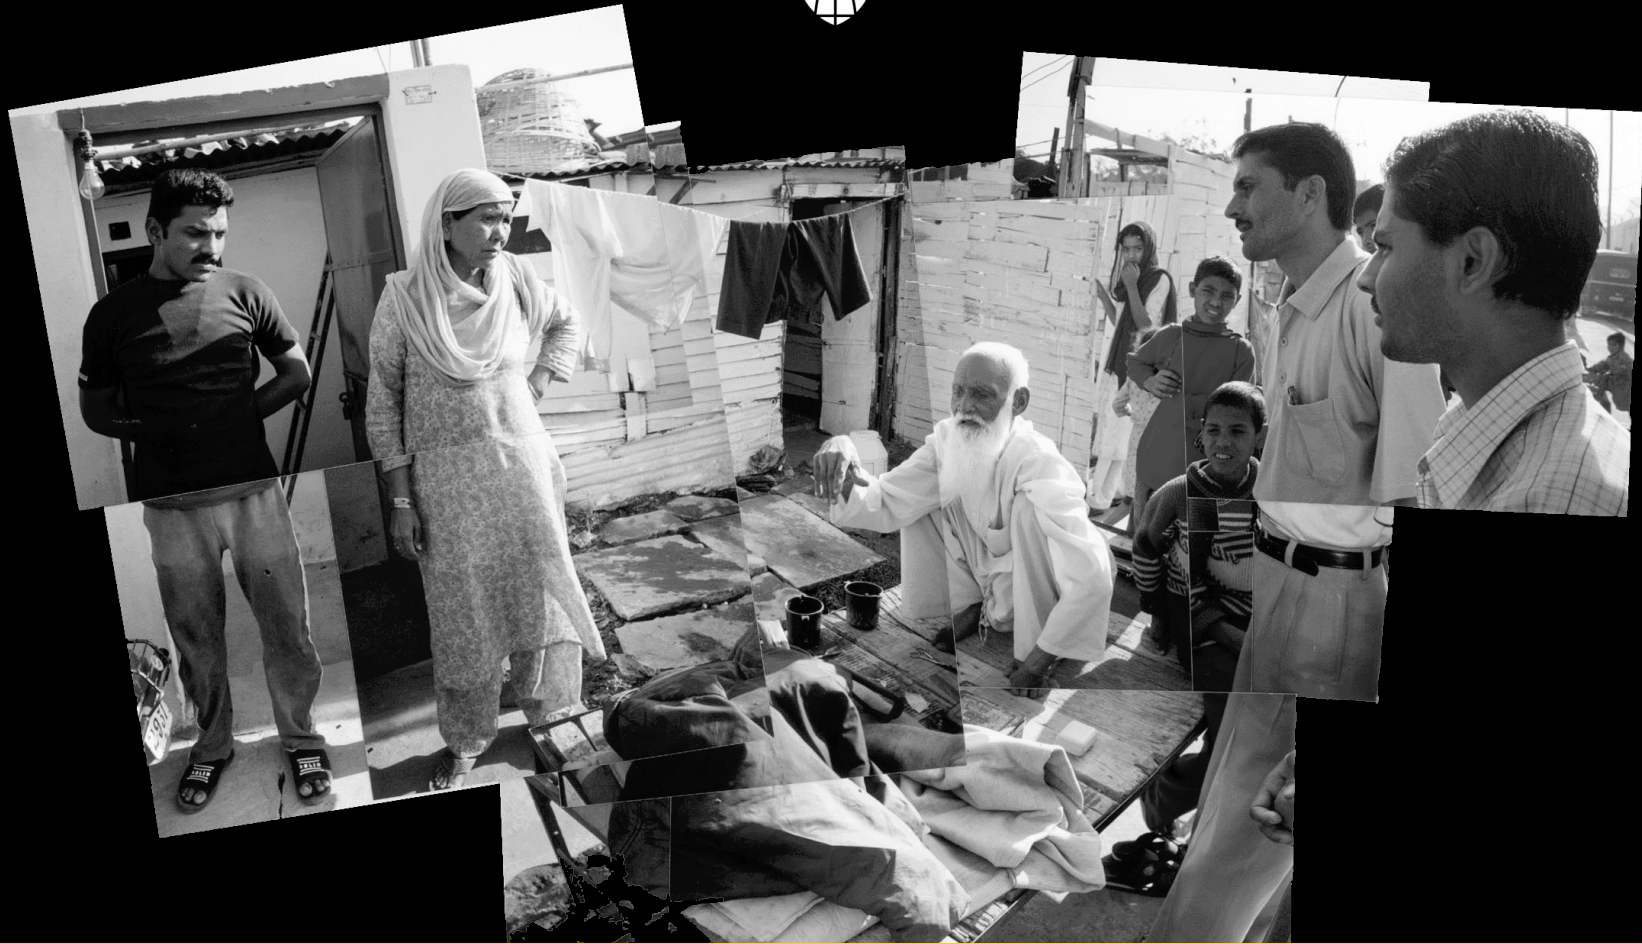

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

The people of Bhopal have risen up in protest.

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

They are organizing themselves, with international support.

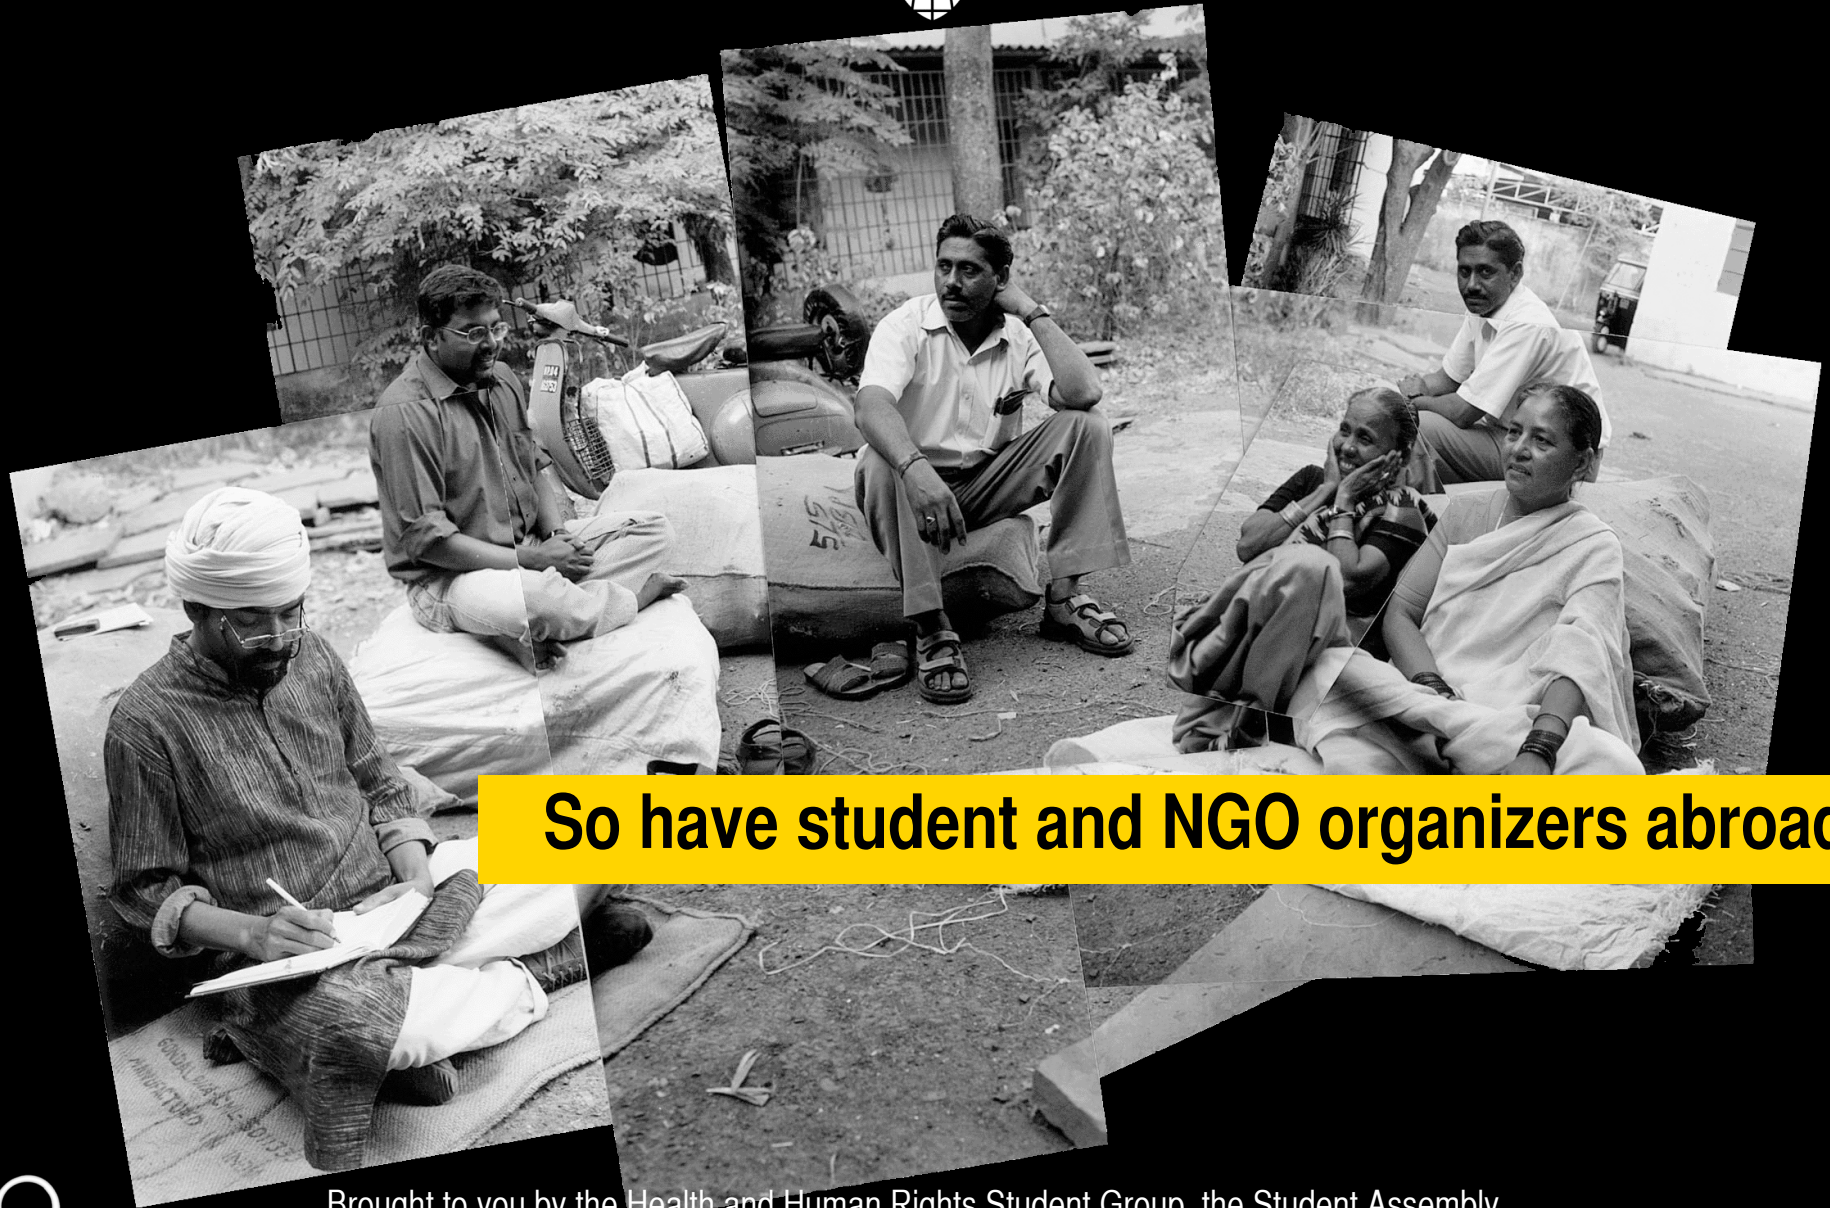

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

Women have played a key role.

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

So have student and NGO organizers abroad.

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

With award-winning results.

Brought to you by the Health and Human Rights Student Group, the Student Assembly,
and Association for India's Development (JHU)

There's still a lot more to be done.

Find out how you can get involved:

www.studentsforbhopal.org

email:hhr@jhsph.edu

Attend informational events at Homewood and SPH Mar 6 -17.

Get involved. Bring justice to Bhopal.
